RE: Docket No. QWE-T-15-04

Dear Ms. Jewell:

Enclosed for filing with this Commission are an original and seven (7) copies of the Petition of CenturyLink for Waiver of FCC Threshold Requirements for Numbering Resources for Pocatello, Idaho.

Qwest Corporation dba CenturyLink QC ("CenturyLink") requests that the Commission direct NeuStar to release certain numbering resources to CenturyLink for the deployment of new technology to better serve its customers. Specific information concerning this technology is identified in Confidential Attachments A and B, which are filed under separate cover and with an Attorney's Certificate.

CenturyLink is hopeful that the Staff and Commission will be able to review this Petition without delay and that a decision can be reached that will allow CenturyLink to gain access to the numbering resources it is seeking.

If you have any questions, please contact me. Thank you for your cooperation in this matter.

Sincerely,

Maura Reynolds
